*Welcome to the 2022 Ilkley Cycle Races. After another fantastic year for cycling in the Yorkshire region, it gives me great pleasure to welcome you to what is now a much anticipated fixture on both the cycling and community calendar.*

This year marks a significant year in our own calendar, with it being 120 years since Lister Horsfall started business. Since 1902, we've proudly championed the importance and strength of local communities and it is events such as these very races that embody the camaraderie of the people of Ilkley and surrounding areas. We love seeing people come together to create special memories that last through generations.

Since our inaugural support of the Ilkley Cycle Races in 2014, we have seen the race grow into what it is today, with its amazing atmosphere and increasingly high standards of competition. It is wonderful to see the local residents and businesses give their increasing support and embrace what is now an important part of the community's social calendar. It's this commitment, both from the community and businesses, that has helped Ilkley to continue to thrive and grow over the years.

I'm sure that you'll join me in thanking the organisers and the many volunteers for their work in putting the Ilkley Cycle Races together once again for what promises to be a great night. On behalf of Ilkley Cycling Club and the team at Lister Horsfall, I'd like to wish everyone involved, from volunteering to competing to spectating, an enjoyable evening.

**Nick Horsfall**  
*Managing Director of Lister Horsfall  
Main Sponsor of the Ilkley Cycle Races*

The circuit starts outside Bettys Café Tea Rooms on The Grove, right in Ilkley's town centre. The bandstand area opposite will host Ilkley Brewery's pop-up bar together with Lishman's barbeque. After a 90° righthand turn there is a 200m long climb up the Riddings Road ramp. After another righthander, there is a long stretch of false flat along Albany Walk onto Parish Gyll Drive.

By this point, the gradient has eased although it is likely to be this stretch where strong riders will really be able to press home an advantage. The top of the circuit is reached just before the end of Parish Gyll Drive, where the course drops sharply down Wilton Road. A very fast corner will sweep the riders onto Grove Road for an extremely rapid return to the bars, restaurants and shops along the finish straight on The Grove.

**The tough circuit climbs 32 m on each 1.5 km lap.**

Exactly a week ago, Matt Bostock (Wiv Sungod) followed his 2022 Tour Series victory by claiming the men's crown at the British National Circuit Race Championships at Kirkcudbright in Scotland, earning himself the right to wear the coveted red, white & blue striped champion's jersey for the next 12 months. Tonight, the newly anointed champion will be racing at the head of an extremely strong Wiv Sungod team who dominated the racing at Ilkley a year ago, filling the podium with Reece Wood taking the victory, supported by Jacob Scott & Thomas Mein. Such was the team's strength in depth, that they made up more than half of the 11 riders who managed to stay within a lap of the winning trio. We will soon see whether anyone can overcome them tonight.

A huge number of Ilkley Cycling Club members freely give up their time to make this event a reality. We also rely on our traffic management company, a private ambulance and medical crew, as well as infrastructure partners for barriers, event stage, electronic timing and commentary. The budget is in excess of £18K and the races simply would not be viable if an events company

were employed, rather than the time and labour being freely given by volunteers.

We would also like to thank the on-going generosity of our race sponsors, MAS Design, Mountain Chalet, Wheelbase, Ilkley Cinema and Lister Horsfall in making this evening possible. We are indebted to many local organisations, businesses and individuals and would particularly like to thank residents in and around the circuit for their co-operation each year.

For details of how to become a sponsor of the 2023 event, please contact: [organiser@ilkleycycleraces.co.uk](mailto:organiser@ilkleycycleraces.co.uk)
