Pro Continental rider, Scott Thwaites, was born in Burley in Wharfedale and won the Lister Horsfall Grand Prix here in 2016, the same year that he completed the Tour of Spain. The following year he finished the Tour de France and has built a strong reputation as a Classics specialist.

After a year of disruption and cancelled events, it is great to see that the Ilkley Cycle Races are back. The domestic racing scene, and all those involved in it, have had a very difficult time, but the return of events like the Otley and Ilkley criteriums show that we're now turning the corner. The recent Tour de France is a reminder that Yorkshire hosted a superb "Grand Départ" that gave the opportunity for the first Ilkley races in 2014. I'm pleased to have seen the event grow each year, and now it is hosting rounds of the National Circuit Race Series.

As professional riders, our livelihood depends on supporters and media coverage. The team at Velo29 & Dream Bike Giveaway want to provide live coverage of UK race and are harnessing "fan funding" to do so. If you want to support UK bike racing, and to help develop the next generation of riders who can progress to the World Tour, then please make a contribution (p.15)

Events like these, on a short punchy circuit, in the centre of a town, with a good atmosphere and vocal support, are what bike racing over on the Continent is all about. It's especially important to have races like these here too, for our young riders to get a real taste of grass roots racing at its best, and to hopefully inspire and encourage them to get the most out of their cycling.

I wish spectators & competitors another memorable evening.

The circuit starts outside Bettys Café Tea Rooms on The Grove, right in Ilkley's town centre. The bandstand area opposite will host Ilkley Brewery's pop-up bar together with Lishman's barbeque. After a 90° righthand turn there is a 200m long climb up the Riddings Road ramp. After another righthander, there is a long stretch of false flat along Albany Walk onto Parish Gyll Drive.

By this point, the gradient has eased although it is likely to be this stretch where strong riders will really be able to press home an advantage. The top of the circuit is reached just before the end of Parish Gyll Drive, where the course drops sharply down Wilton Road. A very fast corner will sweep the riders onto Grove Road for an extremely rapid return to the bars, restaurants and shops along the finish straight on The Grove.

The tough circuit climbs 32 m on each 1.5 km lap.

We present another evening of free sporting entertainment for the town, a night of racing that has now firmly established itself on the sporting and social calendar. It is a privilege to stage these races right in the heart of our community - the setting couldn't be more atmospheric on a midsummer evening which helps create a fantastic atmosphere and memorable sporting moments. The Grove not only provides a superb tree-lined home straight, but is an ideal place for people to mingle and socialise along the wide pavements, and in the cafes and bars.

A huge number of Ilkley Cycling Club members freely give up their time to make this event a reality. In addition, we rely on our traffic management company, a private ambulance and medical crew, as well as infrastructure partners for barriers, event stage, electronic timing and commentary. The budget

is in excess of £18K and the races simply would not be viable if an events company were employed, rather than the time and labour being freely given by volunteers.

We would like to thank the on-going generosity of our race sponsors, MAS Design, Ilkley Cinema, Wheelbase and Lister Horsfall in making this evening possible. We are indebted to many local organisations, businesses and individuals and would particularly like to thank residents in and around the circuit for their cooperation each year.
